Subject: ARAR Table Area 40.
Attachments: Area 40 ARARs AMM 5-21-18.xlsx

Larry: Made most of the revisions you requested. Some we can discuss that I have not included.

Also – made the DTSC listed ARARs in light purple as I do not want to speak for them. Made each of the three types a specific color scheme – green, reddish, and teal with the light colors being the agreed to ones and the State-only in the darker hues. I think we are very close.

Alex
